The Trustees of
ANTHONY BARRY SMSF
43 Osgathorpe Rd
GLADESVILLE NSW 2111

Dear Sir / Madam,

**RE: AUDIT ENGAGEMENT LETTER
ANTHONY BARRY SMSF**

The objective and scope of the audit

You have requested we audit Anthony Barry SMSF (the Fund):

1. Special purpose financial report, which comprises the statement of financial position as at 30 June 2018 and the operating statement for the year/period then ended and the notes to the financial statements; and
2. Compliance during the same period with the requirements of the *Superannuation Industry (Supervision) Act 1993* (SISA) and *SIS Regulations* (SISR) specified in the approved form auditor's report as issued by the Australian Taxation Office (ATO), which are
Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109, 126K
Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 ,13.18AA

We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. This letter will be effective for future years unless we are required to revise it per ATO requirements, or the engagement is terminated. Our audit will be conducted pursuant to SISA with the objective of our expressing an opinion on the financial report and the fund's compliance with the specified requirements of SISA and SISR.

The responsibilities of the auditor

We will conduct our financial audit in accordance with Australian Auditing Standards and our compliance engagement in accordance with applicable Standards on Assurance Engagements, issued by the Auditing and Assurance Standards Board (AUASB). These standards require we comply with relevant ethical requirements relating to audit and assurance engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement and you have complied, in all material respects, with the specified requirements of SISA and SISR and the governing rules of the fund.

We will conduct our engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board.

In performing our audit procedures, we will obtain audit evidence about the compliance activity of the fund and controls implemented to meet the various SISA and SISR compliance requirements. The

procedures selected will depend on our judgement, including the identification and assessment of risks of material non-compliance.

The timing of the audit will be dictated by the provision of relevant documentation to commence the audit. In accordance with section 35C of SISA, we are required to provide to the trustees of the Fund an auditor's report in the approved form within the prescribed time as set out in SISR, being a day before the latest date stipulated by the ATO for lodgement of the fund's Annual Return.

We apply Australian Standard on Quality Control 1 ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement and accordingly, maintain a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal & regulatory requirements.

We comply with the competency standards set by the Australian Securities & Investment Commission (ASIC), the auditor independence requirements prescribed by in accordance with the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) as required by SISR and the ethical requirements relating to assurance engagements which are founded on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Our audit will be conducted on a third party online audit program which offers various audit methodologies and processes including storing of audit evidence and reports on their secured server. We have satisfied ourselves your fund data is secured on their servers and will be protected with highest level of online security possible.

Financial audit

Our financial audit involves performing audit procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depends on our judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error.

Our audit objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. These audit procedures may include to identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion.

Our financial audit also includes evaluating the appropriateness of the financial reporting framework, accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation of the financial report.

Due to the test nature and other inherent limitations of an assurance audit engagement and the inherent limitations of any accounting and internal control systems, the possibility of collusion to commit fraud, and the possibility that some audit evidence are persuasive and not conclusive, there is an unavoidable risk even some material misstatements due to fraud, error or due to non-compliance with SISA and SISR may remain undiscovered.

A reasonable assurance engagement does not provide assurance on whether compliance with all SISA and SISR provisions will continue in the future. As a result, our audit can only provide reasonable, not absolute, assurance that the financial report is free from any material misstatement.

In making our risk assessments, we consider internal controls relevant to the fund's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal controls. However, we expect to provide you with a separate letter concerning any significant deficiencies in the Fund's system of accounting and internal controls that come to our attention during the audit of the financial report. This will be in the form of a trustee letter.

Our procedures do not include a review of the Fund's self-managed superannuation fund annual return, although we may peruse it to identify areas that require our close attention. Accordingly, no opinion will be given, and no responsibility taken for any issues arising from any inaccuracies in the annual return lodged. We also do not audit the member statements, however we do complete an audit of the movements in the member account during the financial year. Accordingly, we are unable to provide an opinion as to the accuracy of historical components and eligible service date information that relate to transactions that occurred in prior years.

Going Concern Concept

In our audit report, we will conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If we conclude a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.

Compliance engagement

A compliance engagement involves performing audit procedures to obtain audit evidence about the Fund's compliance with the provisions of SISA and SISR specified in the ATO's approved auditor's report.

Our compliance engagement with respect to investments includes determining whether the investments are made for the sole purpose of funding members' retirement, death or disability benefits and whether you have an investment strategy for the Fund, which gives due consideration to risk, return, liquidity, diversification, insurance policies for members and review regularity of the investment strategy. Our procedures will include testing whether the investments are made for the allowable purposes in accordance with the investment strategy, but not for the purpose of assessing the appropriateness of those investments to the members.

Engagement restricted only to provision of audit opinion and compliance conclusion

Our engagement is restricted to the provision of an audit opinion on the financial statement and provision of a conclusion on each trustee's compliance with the specified sections and regulations of SISA and SISR as mentioned in the ATO recommended audit report.

We are not engaged to provide any financial advice. If we make any comments on any asset, should not be construed as financial advice and each trustee should consider seeking professional assistance with respect to any comments made. We are not licensed financial advisers and do not provide financial advice. We do not provide any opinion or otherwise on the suitability of the trustee selected or third party recommended and implements investments.

It is not expected that we will form an opinion on any investment or investment strategy or trustee action. We take no responsibility for and provide no warranty or assurance the investment strategy and fund's investments and trustee actions are appropriate or suitable for the Fund and its members and or their beneficiaries as the case may be.

Our audit does not guarantee any investment performance, return of capital, income payment, tax effectiveness, minimization of stamp duty or land taxes or other taxation measures or otherwise from any investment of the Fund or any investment strategy or trustee action.

The responsibilities of the trustees

We take this opportunity to remind you it is the responsibility of the trustees to ensure the Fund, at all times, complies with SISA and SISR as well as any other legislation relevant to the Fund. Each trustee is responsible for the preparation and fair presentation of the financial reporting requirements of the Fund's governing rules, SISA and SISR.

Our auditor's report will explain the trustees are responsible for the preparation and the fair presentation of the financial report and for determining the accounting policies used are consistent with the financial reporting requirements of the Funds governing rules, comply with the requirements of SISA and SISR and are appropriate to meet the needs of the members.

This responsibility includes:

- Establishing and maintaining controls relevant to the preparation of a financial report that is free from misstatement, whether due to fraud or error. The system of accounting and internal control should be adequate in ensuring all transactions are recorded and the recorded transactions are valid, accurate, authorised, properly classified and promptly recorded, so as to facilitate the preparation of reliable financial information.
- This responsibility to maintain adequate internal controls also extends to the Fund's compliance SISA including any Circulars and Guidelines issued by a relevant regulator to the extent applicable. The internal controls should be sufficient to prevent and/or detect material non-compliance with such legislative requirements.
- Identifying, designing and implementing internal controls as they determine necessary to meet compliance requirements of SISA and SISR and monitor ongoing compliance.
- Assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund. The going concern basis of accounting is appropriate when it is reasonably foreseeable the fund will be able to meet its liabilities as they fall due.
- Selecting and applying appropriate accounting policies.
- If the preparation of financial report is outsourced, then each trustee is responsible for overseeing the fund's financial reporting process.
- Making accounting estimates that are reasonable in the circumstances.
- Reviewing on a regular basis a compliant investment strategy, taking into account all investment risks/decisions in making Fund investments (and assessment of recoverability of Fund investments).
- Ensure that restrictions on contributions are followed where a member's Total Superannuation Balance exceeds the cap amount (currently \$1.6 million).
- Making available to us all the books of the Fund, including any registers and general documents, minutes and other relevant papers of all Trustee meetings and giving us any information, explanations and assistance we require for the purposes of our audit. Section 35C(2) of SISA requires Trustees must give to the auditor any document the auditor requests in writing within 14 days of the request.

As part of our audit process, we will request from the trustees written confirmation concerning representations made to us in connection with the audit. This will be in the form of a Trustee Representation Letter.

Valuing all investments at market value.

Investments are valued at net market value at the financial year end.

It is the trustees responsibility to use qualified independent valuer, where the value of the asset represents a significant proportion of the fund's value or the nature of the asset indicates that the valuation is likely to be complex.

In valuation of listed shares and listed managed units, the trustees should use the closing price on each listed security's approved stock exchange or licensed market at the end of the financial year.

Trustees while valuing real property must base it on objective and supportable data or use external valuation where they expect the valuation is materially inaccurate or a significant event (such as a natural disaster , macro-economic events , market volatility or changes to the character of the asset) has occurred since it was last valued.

When valuing any investment in unlisted security for end of the year financial year statement, for example, a share in a private company, or a unit in an unlisted trust, Trustees must take into account a number of factors that may affect its value, including both the:

- value of the assets in the entity
- consideration paid on acquisition of the unlisted securities or units.

Trustees must use market values that are based on either published exit price from the unit trust register or unit trust manager or company director of the private company. Trustees at the time of signing the financial statements of the fund agree that they are aware of the value of all the assets funds and agree that their valuation is correct specially unlisted assets (such as units in unlisted managed funds, syndicates or private company). Trustees have ensured that they are satisfied with valuation of all assets and where ever they had doubts on valuation, they have used an external independent valuer specially where ever they were of the opinion that the nature of the asset indicates that the valuation is likely to be complex.

Trust Deed and deeds of change of Trustee

Trustees should seek appropriate legal advice to execute, amend or modify the Trust deed and establish the Trust on an ongoing and compliant basis.

We, as auditors, do not examine whether the Trust deed or modifications or amendments to the Trust deed are validly executed and will not be responsible if there legal dispute between trustees. We will not be responsible if any documents are not legally executed and specifically exclude all liability for damages associated with an incorrectly executed or amended or changed trust deed or new Trustee appointment or removal.

Reliance on audit report by external parties

Our audit report is prepared for the members of the Fund and we disclaim any assumption of responsibility for any reliance on our report, or on the financial report to which it relates, to any person other than the members of the Fund, or for any purpose other than that for which it was prepared.

Borrowings by the Fund

If the fund invests in a limited recourse borrowing arrangement (LRBA) or similar investment, we specifically make no warranty or assurance regarding whether potential stamp duty and capital gains taxation liabilities are minimized, now or into the future. We provide no assurances on the compliance or otherwise of such LRBA arrangements to parties involved in providing finance to the fund.

Communication with SMSF trustees/directors

We will communicate with you if we have any concerns during the course of the audit. Since you have chosen an accountant / administrator to provide us documents and financial statements of the fund for audit, you agree that all communications to your accountant / administrator are deemed to also be communications to you. If your Fund has more than one trustee/director, you agree communications with one trustee/director are deemed to be communications with all trustees/directors.

We may want to communicate directly with you in relation to audit of your fund regarding:

- recoverability of a loan investment by the Fund; or
- value of the asset in the financial statements may be overstated.

In these circumstances, you agree that we should directly contact and communicate with your accountant in relation to any our concerns and we do not need to notify you before directly contacting and communicating with the your accountant / administrator and we have discretion to decide whether to include you in any direct communication with your accountant / administrator.

Independence

We confirm, to the best of our knowledge and belief, the engagement team meets the current independence requirements of APES 110 Code of Ethics for Professional Accountants (as amended), issued by the Accounting Professional & Ethical Standards Board in relation to the statutory audit engagement (an audit required by legislation) of the Fund. Hence no member of the engagement team can provide any accounting, legal or financial advice. Our engagement as an auditor of the fund is limited to obligations imposed on us by SISA (e.g. section 129).

In conducting our financial audit and compliance engagement, should we become aware we have contravened these independence requirements, we shall notify you on a timely basis. However, please note we are not engaged to provide any financial advice and none will be provided, including an opinion, if a self managed superannuation fund is appropriate for trustees or they have taken responsibility of where member funds are invested or trustees understand their legal and taxation obligations.

We have complied with the competency standards set by ASIC.

Our engagement does not include us forming an opinion nor advising trustees on the following:

- the members have sufficient funds to establish the Fund or continue to manage the Fund;
- investment restriction on underlying assets;
- rollover to the Fund or transferring assets to the Fund;
- level and type of contributions by each member of the Fund;
- monitor members eligibility to make contributions in respect of Total Superannuation Balance;
- acquiring or disposing any particular financial product or class of financial product;
- initial and ongoing costs of administering the Fund;
- if they are prepared and able to allocate the time and skill needed to administer the Fund;
- if they have adequate insurance cover for all members of the Fund;
- limited government protections in the event of fraud or theft or dispute;
- limited access to superannuation complaints tribunal; or
- advantages and disadvantages of a self-managed superannuation fund (SMSF).

Report on matters identified

Under section 129 of SISA, we are required to report to you in writing, if during the course of, or in connection with, our audit, we become aware of any contravention of SISA or SISR which we believe has occurred, is occurring or may occur. Furthermore, you should be aware we are also required to notify the ATO of certain contraventions of SISA and SISR we become aware of during the audit, which meet the tests stipulated by the ATO, irrespective of materiality of the contravention or action taken by the

trustees to rectify the matter, even if you terminate the engagement. Finally, under section 130, we are required to report to you and the ATO if we believe the financial position of the Fund may be, or may be about to become unsatisfactory.

You should not assume any matters reported to you, or a report that there are no matters to be communicated, indicates there are no additional matters, or matters you should be aware of in meeting your responsibilities. The completed audit report may be provided to you as a signed printed copy or a signed electronic version via email or any other electronic means.

As you aware each investment has multiple risks, including loss of capital. In conducting our audit, we will not be checking the liquidity of the Fund's assets, the nature or class of investments, nor their suitability to the Fund's investment strategy. If any asset's capital is lost, due to any reason, we will not be responsible for any damages under section 12GF of Australian Securities and Investments Commission Act 2001. You are responsible for investing the Fund's assets and you should take full care of those investments. However, as an auditor, it is our duty of care to inform you, if in our opinion, we notice any investments are not recoverable. Please note many investments are complex in nature and we are not trained as SMSF auditors to analyse each investment, hence you should not entirely rely on our opinion.

In conduct of our audit, we are not required to form an opinion and report to you if the Fund is making or likely to make an economic loss or the Fund's assets are getting damaged or likely to get damaged due to conduct of any other person who you rely for investment decisions or appoint as custodians or investment manager. We are appointed to audit the Fund's financial report and not to audit entities where this Fund invests such as custodian services, unrelated trusts, companies or other entities.

Compliance program

The conduct of our engagement in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements means information acquired by us in the course of our engagement is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your express consent.

Our audit files may, however, be subject to review as part of the compliance program of a professional accounting body, the ATO, or ASIC. We advise you by signing this letter you acknowledge, if requested, our audit files relating to this audit will be made available under these programs. Should this occur, we will advise you. The same strict confidentiality requirements apply under these programs as apply to us as your auditor.

Limitation of liability

As a practitioner/firm participating in a scheme approved under Professional Services Legislation, our liability may be limited under the scheme.

Fees

We look forward to full co-operation with you / your administrator and we trust you will make available to us whatever records, documentation and other information are requested in connection with our audit.

Our fee will be billed as work in progress or once the audit has been completed and will be based on the time required to complete the engagement. Any out of pocket expenses will be billed separately.

Further, where a contravention report needs to be lodged with the ATO, an additional fee will be charged for the preparation and lodgement of the contravention report.

Use of a specialist

In some limited circumstances, It may be necessary for us to seek legal, Actuarial or valuer advice in relation to the audit of your Fund. We will first seek to obtain a fee quote from a law firm/legal adviser for your approval before incurring any fees. Such fees will be billed to you as disbursements.

Other

Please sign and return the attached copy of this letter to indicate it is in accordance with your understanding of the arrangements for our financial audit and compliance engagement of Anthony Barry SMSF.

Yours faithfully,

Mr Haifeng Gu
SMSF Auditor

Dear Trustees,

Audit Management Letter

We have completed the audit of the Anthony Barry SMSF, for the financial year ended 30 June 2018. We wish to report to you the following matters arising from our audit:

1. Superannuation Industry (Supervision) Act 1993 (SIS Act) and the Superannuation Industry (Supervision) Regulations 1994 (SIS Regulations) breaches:

There are withdraws from the SMSF account to personal account without legitimate reason which are contraventions of SIS act identified during our audit.

2. Material audit adjustments

No material audit adjustments were identified/carried out during our Audit;

3. Matters for Trustee attention

I note that 100% of the fund's assets are currently held in cryptocurrency. There are liquidity and diversification issues to consider however, as stated in the trustee's investment strategy, the trustee is aware of the high level of cryptocurrency specific risk and has considered the investment strategy is suitable after considering all market risk factors. I would like to enforce that Trustees and member of the fund be vigilant and keep a close eye on the cryptocurrency market and if an opportunity should arise, reconsider to amend the current investment mix to meet the objectives of this fund.

4. Further matters for your review

We did not identify any significant administration issues in the conduct of our Audit.

In conducting audit, We have not checked liquidity of any of the fund's assets, the nature or class of investments, nor their suitability to the fund's investment strategy. If any asset's capital lost, we will not be responsible for any damages under section 12GF of Australian Securities and Investments Commission Act 2001.

You are responsible for investing the fund's assets and you should take full care of those investments. I am not required to form an opinion and report you if the fund is making or likely to make an economic loss or the fund's assets are getting damaged or likely to get damaged due to conduct of any other person you rely for investment decisions or appoint as custodians or investment manager. My audit was limited to this fund's financial report and not to entitles where this fund invests.

Please note, it is the Trustees responsibility to ensure the financials are signed in accordance with s35B(3) ie by the Sole Trustee Director or at least 2 Directors of the corporate trustee or at least 2 individual trustees or 50% of Trustees where new legislation may allow up to 6 members. These signed financials must be retained for a period of 5 years after the end of the year of income to which they relate. Trustees can be penalized for contravening this section of legislation.

The Trustees must be aware that internal controls are their responsibility to maintain. We strongly recommend that trustees consider requiring at least two (2) signatures on all bank accounts in order to make any payment. This reduces the risk that a trustee may make payments without the other trustee(s) knowledge or approval. When giving third party authority to view and/or make transactions on the super fund accounts on your behalf (as trustee of the super fund), please ensure risk is limited by ensuring your understand the extent of the authority, authority is provided in writing, you are notified when transactions are made, correspondence is received by you as well as the adviser and you check account transactions regularly.

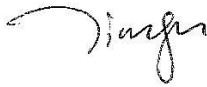

It is the Trustees responsibility to seek qualified legal advice to ensure the Fund Minutes and Resolutions pertaining to all matters that affect the entity are valid and that the Fund Deed is regularly reviewed to ensure all changes are valid and the deed remains compliant with current legislation.

It is the Trustees responsibility to retain pension commencement documents for the life of the pension. It should also be noted that if the members have made CGT contributions to the fund regardless of the ability to make a CGT contribution the fund is able to accept it under Regulation 6.04(1) and it is not responsibility of the Auditor to check for eligibility. If a bill is found that the scheme approved under the Profit Sharing Standard Legislation consequences for the member, it is not an SMSF audit issue.

This report is prepared on the basis of the limitations set out herewith. The matters raised in this report are only those that came to our attention during the course of our audit and are not necessarily a comprehensive statement of all the weaknesses that exist or improvements that might be made. We cannot, in practice, examine every activity and procedure, nor can we be a substitute for management's responsibility to maintain adequate controls over all levels of operations and their responsibility to prevent and detect irregularities, including fraud. Accordingly, management should not rely on our report to identify all weaknesses that may exist in the systems and procedures reviewed, or potential instances of fraud that may exist. Our comments should be read in the context of the scope of our work. Findings within this report may have been prepared on the basis of management representations.

This report has been prepared solely for your use as management of the Huang's Family Super Fund and should not be quoted in whole or in part without our prior written consent. No responsibility to any third party is accepted as the report has not been prepared, and is not intended, for any other purpose. Should you have any questions in relation to the above matters, please do not hesitate to contact our office.

Yours sincerely,

Dear Sir / Madam,

Trustee Representation Letter

This representation letter is provided in connection with your audit of the financial report of Anthony Barry SMSF (the Fund) and the Fund's compliance with the Superannuation Industry (Supervision) Act 1993 (SISA) and SIS Regulations (SISR) and the requirements of the relevant Income Tax Assessment Act, for the year ended 30 June 2018, for the purpose of you expressing an opinion as to whether the financial report is, in all material respects, presented fairly in accordance with the accounting policies adopted by the Fund and the Fund has complied, in all material respects, with the governing rules of the Fund, relevant requirements of SISA and SISR.

The trustees have determined the Fund is not a reporting entity for the year ended 30 June 2018 and the requirement to apply Australian Accounting Standards and other mandatory reporting requirements do not apply to the Fund. Accordingly, the financial report prepared is a special purpose financial report which is for distribution to members of the Fund and to satisfy the requirements of SISA and SISR.

We acknowledge our responsibility for ensuring the financial report is in accordance with the accounting policies as selected by ourselves and requirements of SISA and SISR, and confirm the financial report is free of material misstatements, including omissions.

We confirm, to the best of our knowledge and belief, the following representations made to you during your audit.

1. Sole purpose test

The Fund is maintained for the sole purpose of providing benefits for each member on their retirement, death, termination of employment or ill-health.

2. Trustees are not disqualified

No disqualified person acts as a director of the trustee company or as an individual trustee. Further, no trustee is an undischarged bankrupt or has been convicted of an offence concerning dishonesty.

3. Trust deed, trustees' responsibilities and fund conduct

The Fund meets the definition of a self-managed superannuation fund under SISA, including no member is an employee of another member, unless they are relatives and no trustee [or director of the corporate trustee] receives any remuneration for any duties or services performed by the trustee [or director] in relation to the Fund.

The Fund has been conducted in accordance with its constituent trust deed at all times during the year and there were no amendments to the trust deed during the year, except as notified to you.

We understand our duties as a Trustee or Director of the trustee company. We understand by law we must act honestly in all matters concerning the Fund and act in the best interests of all members. Accordingly, the trustees have complied with all aspects of the trustee requirements of SISA and SISR.

The trustees are not subject to any contract or obligation which would prevent or hinder the trustees in properly executing their functions and powers.

The Fund has been conducted in accordance with SISA, SISR and the governing rules of the Fund.

The Fund has complied with investment standards set out in SISA, SISR and the governing rules of the Fund.

The Fund has complied with the requirements of SISA and SISR specified in the approved form auditor's report as issued by the ATO, which are sections 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82–85, 103, 104, 104A, 105, 109, 126K of SISA and regulations 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14 and 13.18AA of SISR.

All contributions accepted and benefits paid have been in accordance with the governing rules of the Fund and relevant provisions of SISA and SISR.

There have been no communications from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial report.

4. Australian resident superannuation fund

During the period and all times during the year, the Fund met the definition of an Australian resident fund. The Trustees specifically confirm:

- a) The Fund was established in Australia or at least one asset of the Fund is situated in Australia; and
- b) The central management and control of the Fund is ordinarily in Australia; and
- c) Either the Fund had no active member, or at least 50% of the following is attributable to superannuation interests held by active members who are Australian residents:
 - The total market value of the Fund's assets attributable to superannuation interests held by active members, or
 - The sum of the amounts that would be payable to or in respect of active members if they voluntarily ceased to be members

5. Investment strategy

The investment strategy has been determined with due regard to risk, return, liquidity and diversity, and the assets of the Fund are in line with this strategy. The investment strategy is reviewed on a regular basis. We have considered whether the Fund should hold insurance cover for members of the Fund. We have also considered whether fund assets are adequately insured from all types of risks.

6. Accounting policies

All the significant accounting policies of the Fund are adequately described in the financial report and the notes attached thereto. These policies are consistent with the policies adopted last year. We are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Fund's governing rules, SISA and SISR.

If the preparation of accounting records is outsourced, we are responsible for overseeing the Fund's financial reporting process.

7. Fund books and records

We acknowledge our responsibility for the fair presentation of the financial report, Statement of financial

position, Operating statement and the appropriate disclosures of all information required by statute.

In preparation of the financial report we evaluated the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made. We have evaluated the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We have made available to you all financial records and related data, other information, explanations and assistance necessary for the conduct of the audit; and minutes of all meetings of the trustees. We confirm all copies of Fund documents provided (either provided in paper or electronically via email or otherwise) to conduct your audit are true representations of the original documents.

We also acknowledge our responsibility for the design and implementation of internal control to prevent and detect error. We have established and maintained an adequate internal control structure to facilitate the preparation of reliable financial reports, and adequate financial records have been maintained.

We monitor internal controls over financial reporting by reviewing all reports provided by the information technology systems utilised by the Fund, for accuracy.

We advise the Fund does not have a formal process for identifying, estimating or assessing business risks relevant to the financial reporting objectives. We consider this to be appropriate for the Fund.

We are not aware of any specific risks, arising from the use of information technology by the Fund that should be brought to your attention.

There are no material transactions that have not been properly recorded in the accounting records underlying the financial report.

Where a custodian is used by the Fund, we confirm we have not been advised of any fraud, non-compliance with laws and/or regulations or uncorrected misstatements that would affect the financial report of the Fund.

All accounting records and financial reports have been kept for 5 years, minutes and records of trustees' [or directors of the corporate trustee] meetings [or for sole trustee: decisions] have been kept for 10 years and trustee declarations in the approved form have been signed and kept for each trustee appointed after 30 June 2007.

8. Fraud, error and non-compliance

We consider the risk the financial report is materially misstated due to fraud to be low due to the nature of the Fund. We confirm trustees are signatories on all transactions and no transaction can be executed without the consent of trustees. Additionally, the trustees and/or our administrator conduct regular reconciliation of the Fund's transactions, accounts and investments.

While we have not identified any specific risks, we acknowledge any potential fraudulent risk areas include investment or cash being misappropriated and/or contributions being intercepted prior to being banked into the Fund's bank account.

We believe we have adequate procedures in place to detect, reduce the risk of fraud and rectify any fraudulent activities. We will ensure any fraudulent activities are brought to your attention for your consideration.

We confirm there have been no:

- a) Frauds, error or non-compliance with laws and regulations involving any member of management or employees that could have a material effect on the financial report.
- b) Communications from regulatory agencies concerning non-compliance with, or deficiencies in, financial reporting practices that could have a material effect on the financial report.

- c) Violations or possible violations of laws or regulations whose effects should have been considered for disclosure in the financial report or as a basis for recording an expense.

We are aware each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error. We are aware each trustee is responsible for complying with the requirements of SISA and SISR and for identifying, designing and implementing internal controls as they determine necessary to meet compliance requirements and monitor ongoing compliance.

We as trustees understand and acknowledge that it is the trustee's responsibility to make all investment decisions (including investment in crypto currency - if any), we have considered investment risk, and responsibility of risks of return of capital, capital gains and investment income and you as an auditor cannot be held responsible if we make wrong or risky decisions or lose capital of the fund.

We understand all the investment risks for each investment lies with the trustees of the fund and not with the auditor of the fund, including loss of capital. In conducting your audit we are aware you will not be checking the liquidity of the Fund assets, the nature or class of investments, nor their suitability to our investment strategy.

If any assets of the fund fail and capital is lost, we will not be taking any action for damages against you under section 12GF of Australian Securities and Investments Commission Act 2001. However, as an auditor, we understand it is your duty of care to inform us, if you notice any investments are not recoverable.

In conduct of your audit, it is not expected you form an opinion and report to us if the Fund is making or likely to make an economic loss or the Fund's assets are getting damaged or likely to get damaged due to conduct of any other person who we rely for investment decisions or appoint as custodians or investment manager. We understand your appointment is to audit the Fund's financial report and not to audit entities where this Fund invests, for example custodian services, unrelated trusts, companies or other entities.

9. Asset form and valuation

The assets of the Fund are being held in a form suitable for the benefit of the members of the Fund and are in accordance with our investment strategy.

Investments are valued at net market value at the financial year end. Market value is determined by us by using a 'fair and reasonable' process, where it meets the following:

- it takes into account all relevant factors and considerations likely to affect the value of the asset;
- it has been undertaken in good faith;
- it uses a rational and reasoned process;
- it is capable of explanation to a third party.

In preparing the financial statement, we have used a qualified independent valuer, where the value of the asset represents a significant proportion of the fund's value or the nature of the asset indicates that the valuation is likely to be complex.

In valuation of listed shares and listed managed units, we have used the closing price on each listed security's approved stock exchange or licensed market at the end of the financial year.

Real property valuation at the yearend in the financial statement is based on objective and supportable data. We have used external valuation where we have found it to be prudent and where we expect the valuation is materially inaccurate or a significant event (such as a natural disaster, macro-economic events, market volatility or changes to the character of the asset) has occurred since it was last valued.

When valuing any investment in unlisted security for end of the year financial year statement, for example, a share in a private company, or a unit in an unlisted trust, we have taken into account a number of factors that may affect its value, including both the:

- value of the assets in the entity

- consideration paid on acquisition of the unlisted securities or units.

Whilst finalizing the financial statement at the year end, we have used market values that are based on either published exit price from the fund or trust manager or company director. In any case, we are aware of the value of these assets held by the fund in these unlisted assets (managed funds or private company) on balance date. We are satisfied with its valuation and where ever we had doubts on valuation, we have used an external independent valuer, that is, where ever we were of the opinion that the nature of the asset indicates that the valuation is likely to be complex.

We have no plans or intentions that may materially affect the carrying values, or classification, of assets and liabilities.

We have considered the importance of safeguarding the assets of the Fund and we have implemented appropriate procedures that include the regular review of the appropriateness of the authorised signatories on bank and investment accounts and arranging adequate insurance and storage for assets where necessary.

There are no commitments, fixed or contingent, for the purchase or sale of long term investments.

10. Uncorrected misstatements

We believe the effects of those uncorrected financial report misstatements aggregated by the auditor during the audit are immaterial, both individually and in aggregate, to the financial report taken as a whole.

11. Ownership and pledging of assets

The Fund has satisfactory title to all assets appearing in the statement of financial position / net assets. All investments are registered in the name of the Fund, where possible, and are in the custody of the respective manager/trustee. In situations where the Trustee of the fund, in their legal capacity as Trustee of the fund were not able to be registered as the beneficial owner or beneficiary of the assets, procedures and documentation are in place to ensure the asset is held by a custodian or a custodial trustee for and on behalf of the Fund.

The trustees have signed a declaration of trust for the benefit of the fund for any real estate held by the Fund (if any) is held (title of real estate) by the individual trustees/corporate trustee in trust for the Fund.

There are no liens or encumbrances on any assets or benefits as at the date of financial report other than those reflected in the financial report and no assets, benefits or interests in the Fund have been pledged or assigned to secure liabilities of others.

All assets of the Fund are held separately from the assets of the members, employers and the trustees. All assets are acquired, maintained and disposed of on an arm's length basis and appropriate action is taken to protect the assets of the Fund.

12. Related parties

Related party transactions and related amounts receivable or payable, (such as sales, purchases, loans, transfers, leasing arrangements, off-market transfers and guarantees - written or oral), where applicable, have been properly recorded or disclosed in the financial report. Acquisitions from, loans to, leasing of assets to and investments in related parties have not exceeded the in-house asset restrictions in SISA at the time of the investment, acquisition or at year end.

The Fund has not made any loans or provided financial assistance to members of the Fund or their relatives.

13. Leases or Loans to Related parties

No non business used property is leased to a related party of the members of the Fund. All business use property if leased to related party, the rent is set at market rates and proper commercial leasing arrangement is in place including a lease document executed in a commercial manner.

All the units or shares owned in related trusts or related companies or investment in related trust and companies or loans to related parties or entities controlled by related parties, we the trustees have followed the in-house asset rules and none of the related trusts where the fund has invested has borrowed.

14. Borrowings

The Fund has not borrowed money or maintained any borrowings during the period, with the exception of borrowings which were allowable under SISA. If any permitted borrowing has occurred, any borrowing is appropriately documented and compliant with SISA and SISR. To the best of the trustee's knowledge, if the Fund has invested in a limited recourse borrowing arrangement (LRBA), it is compliant with SISA. Any borrowings from any related party complies with Practice Compliance Guideline 2016/5 issued by ATO and any loan from a related party meets the requirements of a loan obtained from a commercial lender.

15. Contributions and Pensions

Taking into consideration all contributions to other funds, contributions to the Fund are in accordance with any contribution caps applicable to members. Any work test or similar qualifying criteria has been met to facilitate contributions. Likewise, any pension or lump sum payments are within payment restrictions, if any are applicable, and that a condition of release has been met and satisfied to permit payment.

All contributions in the financial year are made to this fund and we confirm that we have not made any contributions to any other superannuation fund.

16. Subsequent events

No events or transactions have occurred since the date of the financial report, or are pending, which would have a significant adverse effect on the Fund's financial position at that date, or which are of such significance in relation to the Fund as to require mention in the notes to the financial statements in order to ensure they are not misleading as to the financial position of the Fund or its operations.

17. Outstanding legal action

We confirm there is no outstanding legal action or claims against the Fund. The Fund has complied with all aspects of any contractual agreement that would have a material effect on the financial report in the event of non-compliance. There have been no communications from the ATO concerning a contravention of SISA or SISR which has occurred, is occurring, or is about to occur.

Any minutes of meetings with the Fund's legal counsel have been provided for your attention.

18. Going Concern

We confirm we are not aware of any matters, whether individually or collectively, that will cast significant doubt over the Fund's ability to continue as a going concern. In preparing the financial report, we are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the Fund. We understand the going concern basis of accounting is appropriate when it is reasonably foreseeable the Fund will be able to meet its liabilities as they fall due.

19. Trust Deed(s) and deeds of change of trustee

We have sought our own legal advice to establish the Fund and have properly executed the trust deed as applied at establishment of the Fund by signing the original deed and having it stamped and witnessed as applicable. Any modification or updates to the trust deed and governing rules have been appropriately made and executed in a legally binding manner and copies of deeds have been retained to ensure a complete history of the Fund's trustees and members is maintained.

20. Additional matters

We understand your examination will be made in accordance with Australian Auditing Standards and applicable Standards on Assurance Engagements and will therefore be designed primarily for the purpose of expressing an opinion on the financial report of the Fund taken as a whole, and on the compliance of the Fund with specified requirements of SISA and SISR. Further, your tests of the financial and compliance records and other auditing procedures will be limited to those which you consider necessary for that purpose. We know that you are not a licensed financial advisors and we have not asked you to provide us any financial advice as trustees of the fund.

We are aware this engagement is in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board and your firm applies Australian Standard on Quality Control 1 ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We are also aware you will comply with the competency standards set by ASIC, the auditor independence requirements prescribed by SISR and the ethical requirements relating to assurance engagements which are founded on the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Should you find any records or reports deficient, please write to us.

Yours faithfully,

ANTHONY BARRY
Director of Corporate Trustee

Self-managed superannuation fund (SMSF) name: ANTHONY BARRY SMSF

Address: 43 Osgathorpe Rd, GLADESVILLE NSW 2111

Year of income being audited: 2018

To the SMSF trustees

of ANTHONY BARRY SMSF

Part A: Financial report

Approved SMSF auditor's Opinion

I have audited the special purpose financial report of the Anthony Barry SMSF comprising the statement of financial position as at 30 June 2018, and the operating statement, and the notes to the financial statements of the Anthony Barry SMSF for the year ended 30 June 2018.

In my opinion, the financial report presents fairly, in all material respects, in accordance with the accounting policies described in the notes to the financial statements, the financial position of the fund at 30 June 2018 and the results of its operations for the year then ended.

Basis for Opinion

My audit has been conducted in accordance with Australian Auditing Standards². My responsibilities under those standards are further described in the *Approved SMSF Auditor's Responsibilities for the Audit of the Financial Report* section of this report. I am independent of the self-managed superannuation fund in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to this audit and as required by the Superannuation Industry (Supervision) Regulations 1994 (SISR). I have also fulfilled my other ethical responsibilities in accordance with the Code. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. My firm or network firm did not prepare the financial statements for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Emphasis of Matter - Basis of accounting

Without modifying my opinion, I draw attention to notes of the financial report, which describes the basis of accounting. The financial report has been prepared to assist Anthony Barry SMSF meet the requirements of the SMSF's governing rules, the *Superannuation Industry (Supervision) Act 1993* (SISA) and the SISR. As a result, the financial report may not be suitable for other purposes.

Responsibilities of SMSF trustees for the financial report

Each SMSF trustee (individual trustee or director of corporate trustee) is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the SMSF's governing rules, the SISA and the SISR. Each trustee is also responsible for such internal controls as they determine are necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the trustees are responsible for assessing the fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the trustees intend to wind-up the fund or have no realistic alternative but to do so.

Each SMSF trustee is responsible for overseeing the fund's financial reporting process.

Approved SMSF auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of trustees taken on the basis of this financial report.

²The Australian Auditing Standards issued by the Auditing and Assurance Standards Board.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of an internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the fund's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial report or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I have communicated with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I may identify during the audit.

Part B: Compliance report

Opinion

I have undertaken a reasonable assurance engagement on the Anthony Barry SMSF compliance, in all material respects, with the applicable provisions of the SISA and the SISR as listed below ('the listed provisions') for the year ended 30 June 2018.

Sections: 17A, 35AE, 35B, 35C(2), 62, 65, 66, 67, 67A, 67B, 82-85, 103, 104, 104A, 105, 109,

126K Regulations: 1.06(9A), 4.09, 4.09A, 5.03, 5.08, 6.17, 7.04, 8.02B, 13.12, 13.13, 13.14,

13.18AA

In my opinion, each trustee of Anthony Barry SMSF has complied in all material respects, with the listed provisions, for the year ended 30 June 2018.

Basis for Opinion

I have conducted my engagement in accordance with Standard on Assurance Engagements ASAE 3100 *Compliance Engagements* issued by the Auditing and Assurance Standards Board. I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Independence and quality control

I have complied with the independence and other ethical requirements relating to assurance engagements, and applied Auditing Standard ASQC 1 *Quality Control for Firms that Perform Audits and Reviews of Financial Reports and Other Financial Information, and Other Assurance Engagements* in undertaking this assurance engagement. In particular, neither myself, my firm or my network firm assumed a management responsibility for the fund. Where my firm or network firm provided any other non-assurance services to the fund, we are satisfied

that those services were not prohibited under the Code and any independence threats arising have been eliminated or reduced to an acceptable level by the application of safeguards.

SMSF trustees' responsibility for compliance

Each SMSF trustee is responsible for complying with the listed provisions and for the identification of risks that threaten compliance with the listed provisions, controls which will mitigate those risks and monitoring ongoing compliance.

Approved SMSF auditor's responsibility

My responsibility is to express an opinion on the trustees' compliance, in all material respects, with the listed provisions, for the year ended 30 June 2018. ASAE 3100 *Compliance Engagements* requires that I plan and perform my procedures to obtain reasonable assurance about whether the trustees have complied, in all material respects, with the listed provisions for the year ended 30 June 2018.

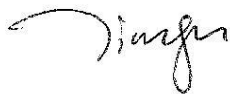

An assurance engagement to report on the trustees' compliance with the listed provisions involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the compliance requirements. The procedures selected depend on my judgement, including the identification and assessment of risks of material non-compliance.

My procedures included examination, on a test basis, of evidence supporting compliance with the requirements of the listed provisions for the year ended 30 June 2018.

These tests have not been performed continuously throughout the period, were not designed to detect all instances of non-compliance, and have not covered any other provisions of the SISA and the SISR apart from those specified.

Inherent limitations

Due to the inherent limitations of an assurance engagement, together with the internal control structure it is possible that fraud, error, or non-compliance with the listed provisions may occur and not be detected. A reasonable assurance engagement for the year ended 30 June 2018 does not provide assurance on whether compliance with the listed provisions will continue in the future.
